TAPAS WITH NO BOUNDARIES

Nestled in the heart of Dundee's bustling Nethergate district, Black Mamba has quickly cemented its reputation as a culinary hotspot since its grand opening in December 2023. With its unique fusion of Asian-inspired tapas, the restaurant has captured the hearts and palates of locals and visitors alike. Now, as it continues to push culinary boundaries, Black Mamba is set to unveil an exciting new menu infused with a tantalizing smoky influence. From the moment you step through the doors of Black Mamba,

you're transported to a world where flavors dance on the tongue and every bite tells a story. Since its open, Black Mamba has been celebrated for its innovative approach to tapas, offering a diverse array of dishes that tantalize the taste buds. Among the favorites are the succulent Szechuan flank steak, perfectly seasoned and cooked to tender perfection, and the indulgent chorizo & black pudding spring rolls, a harmonious marriage of flavors and textures that never fails to impress. And who could forget the addictive kimcheesy croquetas, crispy on the outside and oozing with gooey cheese and tangy kimchi on the inside?

Drawing inspiration from traditional smoking techniques and global culinary traditions, the new menu at Black Mamba will feature an array of dishes that showcase the rich, complex flavors imparted by smoke. Imagine tender cuts of meat, slow-cooked to perfection over smoldering embers, or delicate seafood infused with the aroma of fragrant wood chips. Of course, no visit to Black Mamba would be complete without indulging in their signature cocktails, expertly crafted to complement the

bold flavors of the cuisine. As Black Mamba continues to push the boundaries of culinary innovation, one thing remains constant: its commitment to providing an unforgettable dining experience that celebrates the artistry of food. Whether you're a seasoned foodie or simply seeking an evening of culinary adventure, a visit to Black Mamba is sure to leave you craving more.
